

Reusable One-Page Pricing PDF

Pricing Sheet

- Built as a clean, print-ready one-page layout with warm coffee-themed styling.
- Includes clearly marked placeholders for every price and no real customer details.
- Designed for reuse in onboarding packets.

Certified Preview

- Certified preview included for review before final export.
- Layout uses a single-column flow with a centered three-column pricing strip for easy reading.

Notes

- All pricing fields are placeholder-only.
- File is structured for PDF export and reuse.
